24/7 FLEX

Das flexibelste Produkt der CARL GROSS Baukasten Kollektion beeindruckt durch seine Dehnbarkeit. Sowohl der Stoff als auch das Innenfutter sind aus einem speziellen Stretchmaterial. Aufgrund seiner Konstruktion ist der Anzug extrem knitterarm und somit der perfekte Reisebegleiter.

The most flexible product in the CARL GROSS modular collection impresses with its elasticity. Both the fabric and the lining are made of a special stretch material. Due to its construction, the suit is extremely crease-resistant and therefore the perfect travel companion.

Le produit le plus flexible de la collection modulaire CARL GROSS séduit par son élasticité. Le tissu et la doublure sont tous deux faits d'un matériau extensible spécial. Grâce à sa conception, le costume est extrêmement résistant aux plis devenant ainsi le compagnon idéal de voyage.

200 years of tradition in wool-milling

Since 1815 the soul of our fabrics has told stories of excellence, territory and quality, the historical values of our brand. Beauty, knowledge, tradition and innovation that move in unison, this is our historical heritage, this is the institutional heritage that we reinvent, collection after collection, with creativity, research and innovation.

The journey of our fabrics starts from afar and from selected farms, such as the wool coming from Australia and New Zealand. A value guaranteed by animal welfare and know-how handed down generation after generation, with an entirely traceable production.

The reduced and conscious use of water resources, combined with the use of renewable energy, represents the constant attention we devote to the environment and people.
